'To every thing there is a season,
and a time to every purpose under the
heaven...'

Ecclesiastes 3:1

Foreword

To students, success depends largely on how they use their time either in seventh period study hall or in doing a semester's work. Time spent in high school is partly intended for making friends, having fun, and growing to adulthood, but largely it is a time for preparation--preparation for either a college education or for vocational learning.

Each change of time brings new seasons, new friends, new knowledge. For freshmen, time leads the way to growth and maturity. For sophomores, time yields new adventures and promises beyond their comprehension. To junior students, time offers and opportunity to study and to grow mentally; but for seniors, time has opened the door to a broader and more challenging future.

Regardless of the age or the grade, the time comes when each person must seek his own identity and select the path he is to follow.

So as time marches on and new faces and ideas replace the high school image, may this 1967 Growl help each of you remember the TIMES spent in the hallowed halls of CHS.

New Football Stadium and Music

While always working to maintain high standards in Curriculum, the school administration expanded the physical facilities this year. A stadium which cost approximately \$20,000 was dedicated at the first football game in September, and a new air-conditioned, sound proof music room was added to the elementary school in February.

To make room for another elementary class, the homemaking cottage from Booker T. Washington campus was moved to the east side of the shop and remodeled to house both Special Education classes.

Mr. Bankston, the new high school principal, came to Cooper in August from Knox City, Texas.

Geography is Added to High

To graduate from Cooper High School, students must have twenty academic credits. Sixteen must be solid and four may be made in band, physical and health education, or library. English, social studies, math, and science students still have twenty-eight electives from which to choose.

All regular teachers have degrees. Eleven have Masters degrees and average two hundred sixty-five years of experience.

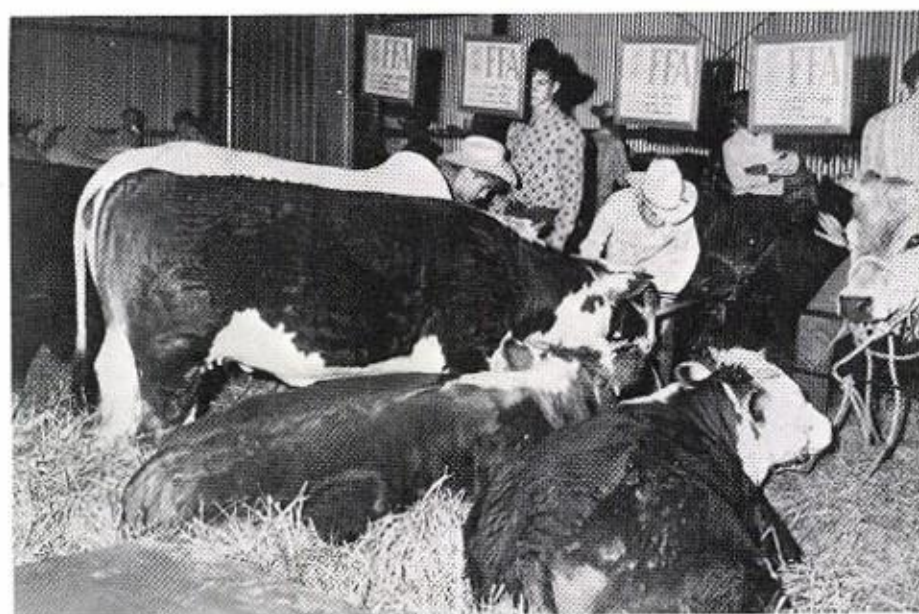

More than seventy-five students attended the first session of summer school last year. A class of Driver's Education was taught after school during May for students so that it would not interfere with summer work or vacations. A summer school session will be taught when school is out this year.

With an extra surge of energy, the Student Council made many valuable contributions to student activities during the year. Their busy busy schedule remained unchanged when Dr. Harry Ward, sponsor, left for Sam Houston State and Mr. Wade Bledsoe became sponsor.

They sponsored a school dance in the gym and hired 'The Chances R', a Paris combo to play while students danced everything from the jerk to the skate. Results of the student council elections were made at intermission.

Western Day was the highlight of the year. All students and teachers were required to wear western attire or receive severe punishment.

'C' Club officers Gary Anderson, Sec., Edward Wilkinson, V. Pres., Charles Kesler, Pres., and Coach Roy Newsome, make final plans for their week end trip.

"C" Club was organized to create more interest in the school's athletic program. To be a member boys must have at least one year of high school participation in any of the three major sports. There are forty-five members.

To raise money for the club's operation, members sponsored a turkey shoot which netted \$287.00. To show their abundance of talent, they staged a Christmas assembly in December.

Highlighting the year's activities sixteen members along with Coach Weehunt spent the weekend of May 12-14 at Glover Boy Scout Reservation near Wright City, Oklahoma.

Other awards included a jacket to Mr. Manton Miller, a local businessman who made all movies of the football games, and a medal to Mr. J. C. Pardue for being the most faithful fan.

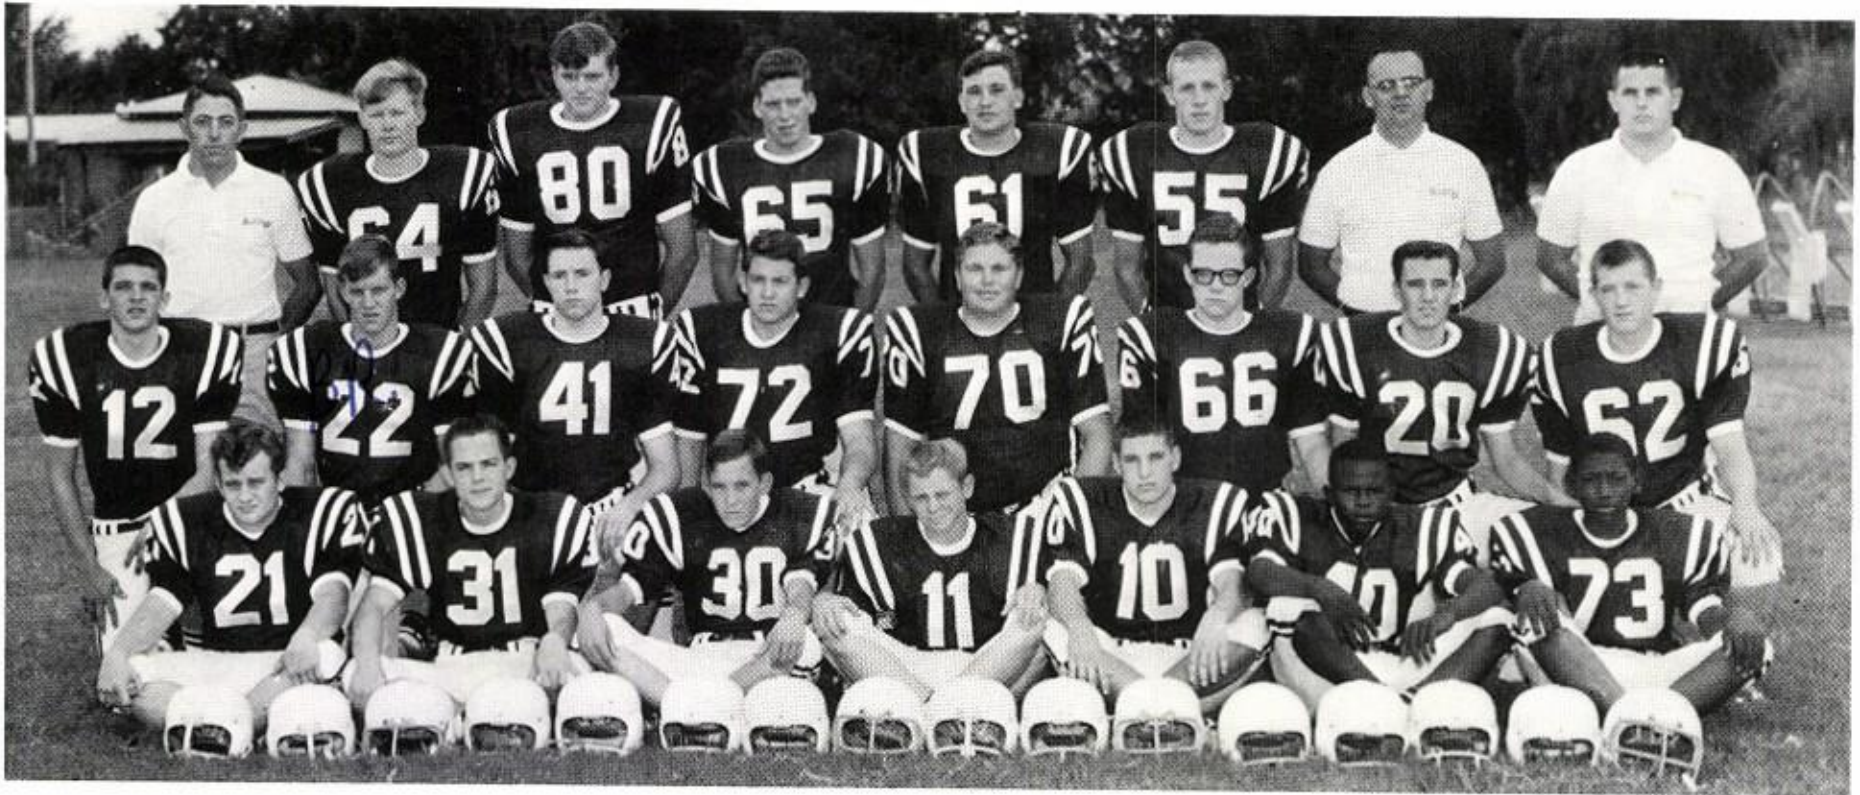

Besides golf and track teams, Cooper schools support eleven other ball clubs in junior high and high school.

Benton Rainey and Lyn Newman go into the Athletic Banquet where they received the Best Athletic Awards.

COOPER-WOLFE CITY Bulldogs failed to capitalize on several Wolfe City misques. They trailed 14-0 until the closing seconds when Wendell Preas scored on an eleven yard pass. The game ended 14-8.

COOPER-HONEY GROVE Warriors used the many Bulldog mistakes to hand them their worst defeat of the season. The final score 38-0.

COOPER-CANTON With the score tied at halftime, the Eagles came back to crush the Bulldogs in the final period. Gary Anderson made Cooper's only touchdown. The game ended 27-6.

COOPER-HUGO Bulldogs with a reshuffled line-up got first win of the season from the highly rated Buffaloes. Benton Rainey and Charles Kesler made the Cooper scores. The final score 22-0.

COOPER-WYLIE It was the Pirates' game until the final period, when Wendell Preas and Benton Rainey each got a touchdown. Rainey also scored the extra point to tie the score 14-14.

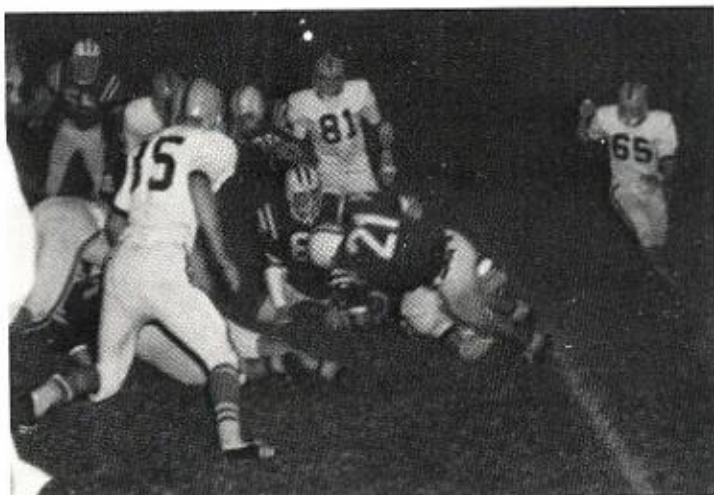

COOPER-COMMERCE Although the Bulldogs drew first blood, the winless Tigers rolled on to give the Bulldogs their first district defeat. The final score 40-12.

COOPER-RIVERCREST In a great defensive game, the Rebels led 7-0 until the third period when Benton Rainey scored, but his try for the extra points failed. Defense controlled the fourth quarter, and the game ended 7-6.

COOPER-CLARKSVILLE District favorites, Clarksville Tigers, scored a decisive victory over the Bulldogs in a game that was much closer then the score indicated. The final score 24-0.

COOPER-MT. VERNON Kenny Klein's 40 yard runback of a blocked punt and touchdowns by Benton Rainey and Wendell Preas gave the Bulldogs a conclusive victory over the Tiger's. The game ended 27-14.

COOPER-WINNSBORO Raiders returned the opening kickoff for their first score, and Cooper never really recovered. Edward Wilkinson and Benton Rainey each scored, but the try for the extra points failed. The final score 39-12.

Benton Rainey was presented the Bill Meek award, given to the most outstanding athlete in the District 15AA by Mr. Bill Meek of Mt. Vernon in honor of the team members lost in the tragic bus wreck in 1959.

Edward Wilkinson carries to the Bulldog 35 as Chris Calvin, Bill Warner, and Gary Anderson pick up blocks against Commerce.

At halftime the players take a well earned rest. Coach Crew goes over plays with Kenny Klein.

Benton Rainey kicks an extra point in the Hugo game.

Final scores do not always give a complete picture of events.

Bulldogs began the season in a new stadium with good crowds regardless of the 20-30 degree drop in temperature just at game time.

Then it happened. Injuries began when Chancellor was injured and never saw action. Rainey and Oats were benched for a complete game, and Kesler was not to suit out for the remainder of the season.

Despite weather, injuries, and a losing season, Benton Rainey, Kenny Klein, and Richard Goolsby made All-District. Dennis Alley and Edward Wilkinson received Honorable Mention.

At the award's assembly, Coach Newsom said, "The coaching staff feels that Kesler would have been named for All-District honors if injuries had not kept him from completing the season".

Charles Kesler makes first TD of season against Hugo.

Members of the Varsity include Allen Beeler and Charles Ray, Mgrs. FRONT ROW: Coach Roy New-som, Gary Oats, Benton Rainey, Gary Chandler.

BACK ROW: Terry Hinsley, Mark Morgan, Gary Thompson, Robert Brantley.

Band members chose MARILYN MILLARD and NOEL BAILEY for sweetheart and beau.

Largest Class in 24 Years Leaves CHS

Senior class sponsors, Mr. and Mrs. Bobby Wigley, Mr. Hollis Williams, and Coach Bill Weehunt, plan the last minute details for ordering invitations.

With 77 students, the '67 class was the largest to graduate from CHS in twenty four years. Forty-five of the group started first grade together in Cooper schools. Others came with the consolidation of all county schools.

The class was unusually active since it had many athletes, and band members, and most all other organizations had a heavy percentage of upper classmen.

Senior girls won the Powder Puff football game in October, and in February senior boys played a basketball game against the faculty to help the Student Council raise money.

The class had a dance in the gym, and later a hayride-weiner roast to replace the usual out-of-town socials.

Noel Bailey, Secretary, checks the invoices as Gary Anderson, President, looks over a gown. Ben-

ton Rainey, Treasurer, and Charles Kesler, Vice-President, look over invitations.

Four Sponsors Plan 3rd Year Affairs

Determined to have the best prom in CHS history, juniors spent long and tedious hours on money-making projects. They netted \$300 when the girls challenged the senior girls to a Powder Puff football game.

In February they completed their projects with a stew sale in the lunch room before the Faculty-Senior basketball game sponsored by the Student Council. The sale yielded \$250.

Making plans for their stew sale are officers, Gary Browne, Vice-President; Shirley King, Secretary-Treasurer; and Kenny Klein, President.

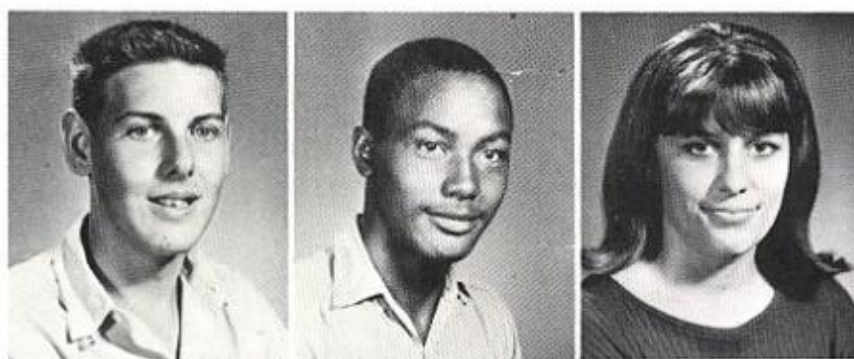

Junior Sponsors discuss possible themes for the prom. They are (sitting) Mr. and Mrs. Davis Floyd,

Mr. Clyde Heflin, and Mr. Jon Crew.

10th Graders Have Scavenger Hunt

Being a sophomore sometimes proved to be difficult for 59 CHS students. They found themselves envying the priority of juniors and seniors, and wanting the attention received by freshmen.

However, they managed to forget their depressing moods by participating in numerous activities and organizations.

In December the class had a scavenger hunt. Bill Warner's group won the prize for finding all items and returning first.

LARRY TRAPP and DEBORAH HUIE were selected Class Favorites.

Sophomores plan a scavenger hunt. They are (front row) Mrs. Wade Bledsoe, Sponsor; Gary Chandler, President; Deborah Huie, Treasurer; (second row)

Since freshmen were upperclassmen in junior high they had to make the difficult adjustment of being underclassmen this year.

In September most girls went through FHA initiation and boys were admitted into the Green Hand Chapter of FFA.

Like the older classes, they had a night of fun in the gym, and in traditional freshman style, many swooned and danced when the "Chances Are", a band from Paris, played at the Student Council dance March 9.

MIKE SHAW and JOYCE HINSLEY were selected as class favorites.

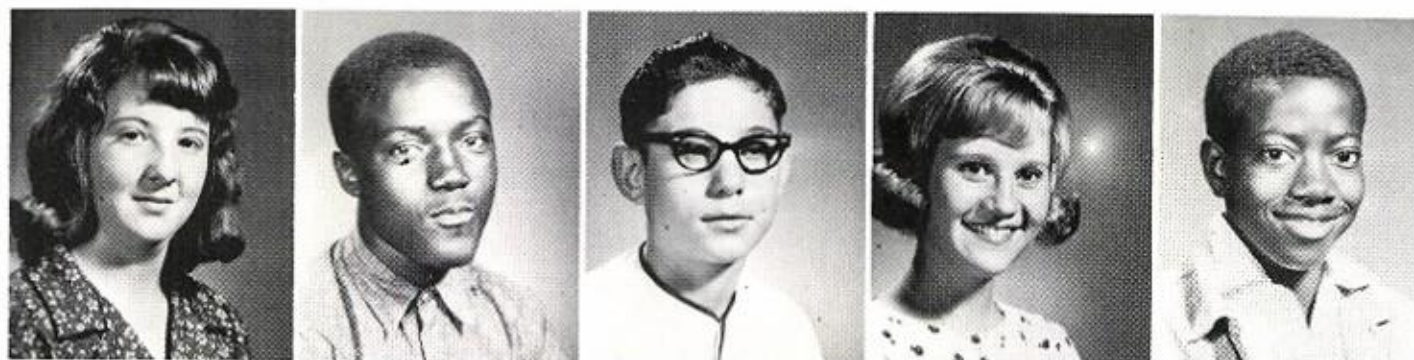

Freshman officers meet with their sponsors, Coach Newsome and Mrs. Charles Wright to discuss a spring social. Officers are Van Henson, Treasurer; Martha

Favorites and Council Officers Elected by Students in Seventh and Eighth Grades

Junior High

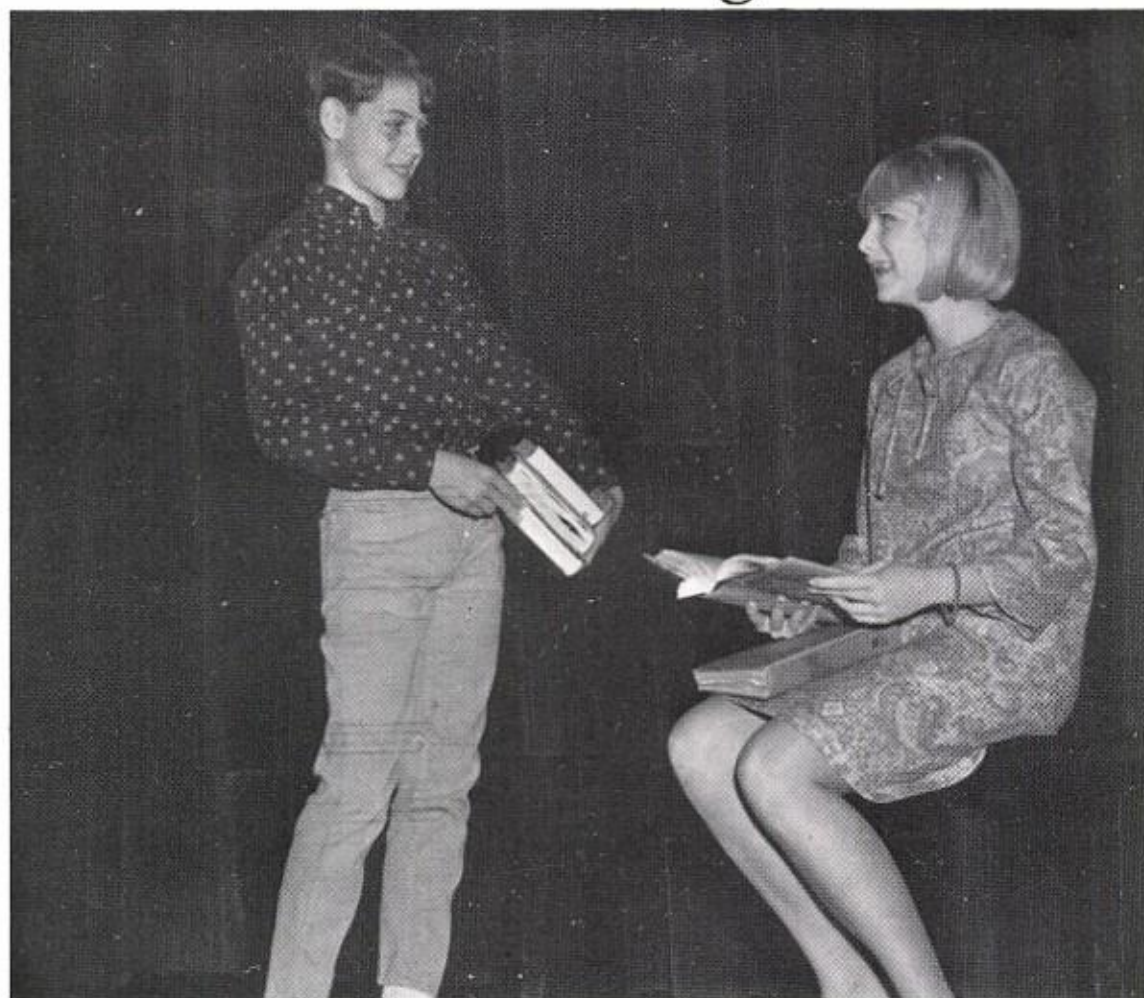

Cooper had a two-year junior high program made up of seventh and eighth grades.

With one hundred twenty-seven enrollment, there were four regular teachers with a few special subjects taught by high school teachers.

All students had an opportunity to be in band and athletics during the regular school day.

In March two bus loads of seventh and eighth graders went to Mr. Scott's place at East Delta for a weiner roast.

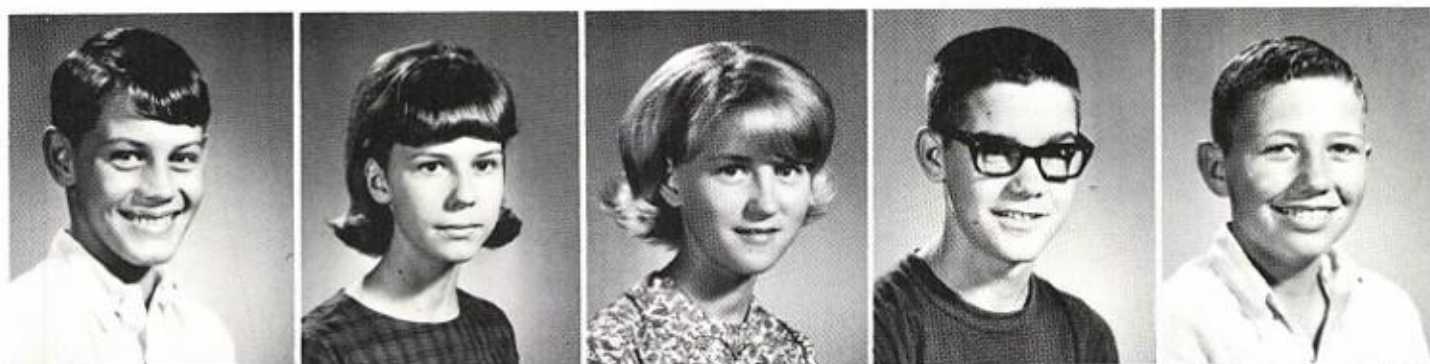

Junior high students elected two eighth graders, Cathie Williams and Mark Adams, for their favorites.

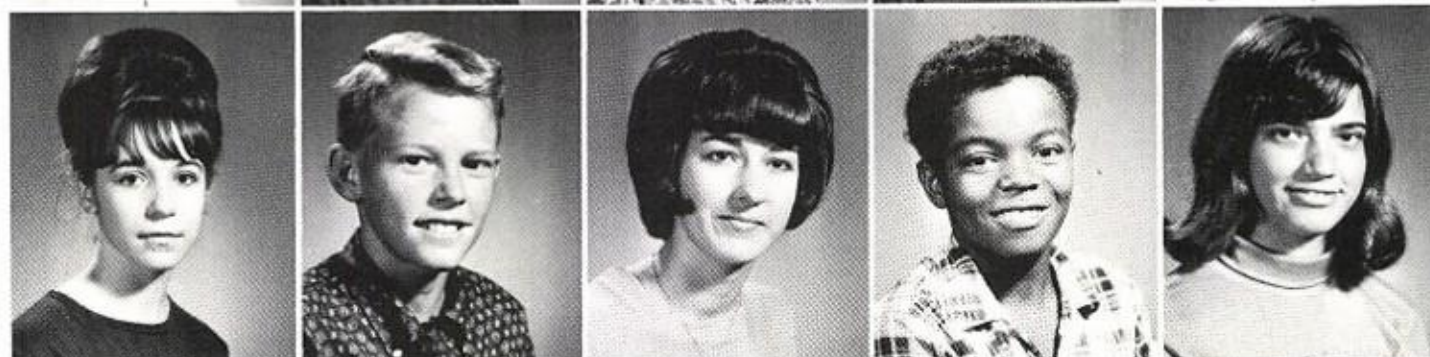

Student Council members are (seated) Debbie Hunt, Secretary-Treasurer; Denise Wood, President; John Willson, Vice-President, and (standing) Andy Car-

ington, Representative; Mark Adams, Representative; David Smith, Representative; and Jan Moreland, Representative.

Special Education

To provide for increased enrollment in Cooper Schools, the homemaking cottage was moved from Booker T. Washington Campus to the lot west of the high school for Special Education classes.

The building was remodeled and many new supplies were added.

Aquariums with nurseries for baby fish were placed in each room.

Mrs. Sue Peters' class has daily lessons in sewing, typing, and cooking.

Early in the year Mrs. Cherry and Mrs. Peters arranged with fire chief, Mr. Bruce Fielding, to give the students a ride in the new fire truck. Then to complete Fire Prevention study in October, they visited the station and took the ride.

During Texas Public Schools Week, Special Ed Classes held open house for all who attended the PTA and anyone else who cared to visit.

Teachers stress cleanliness and proper diets in the classroom.

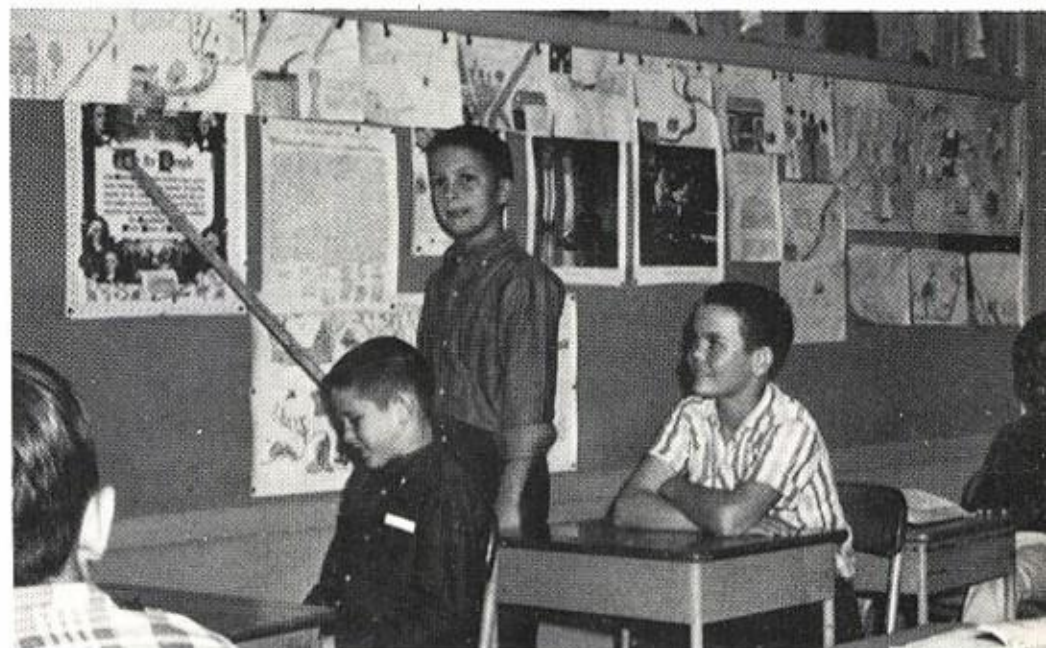

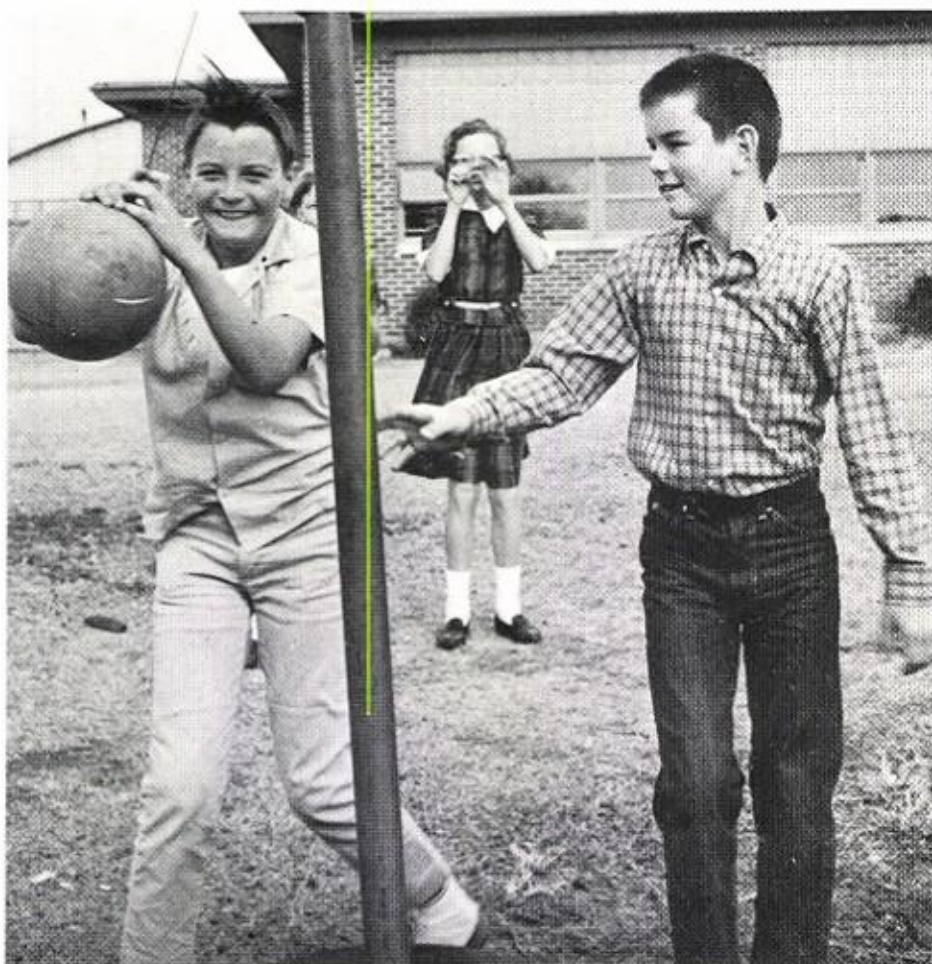

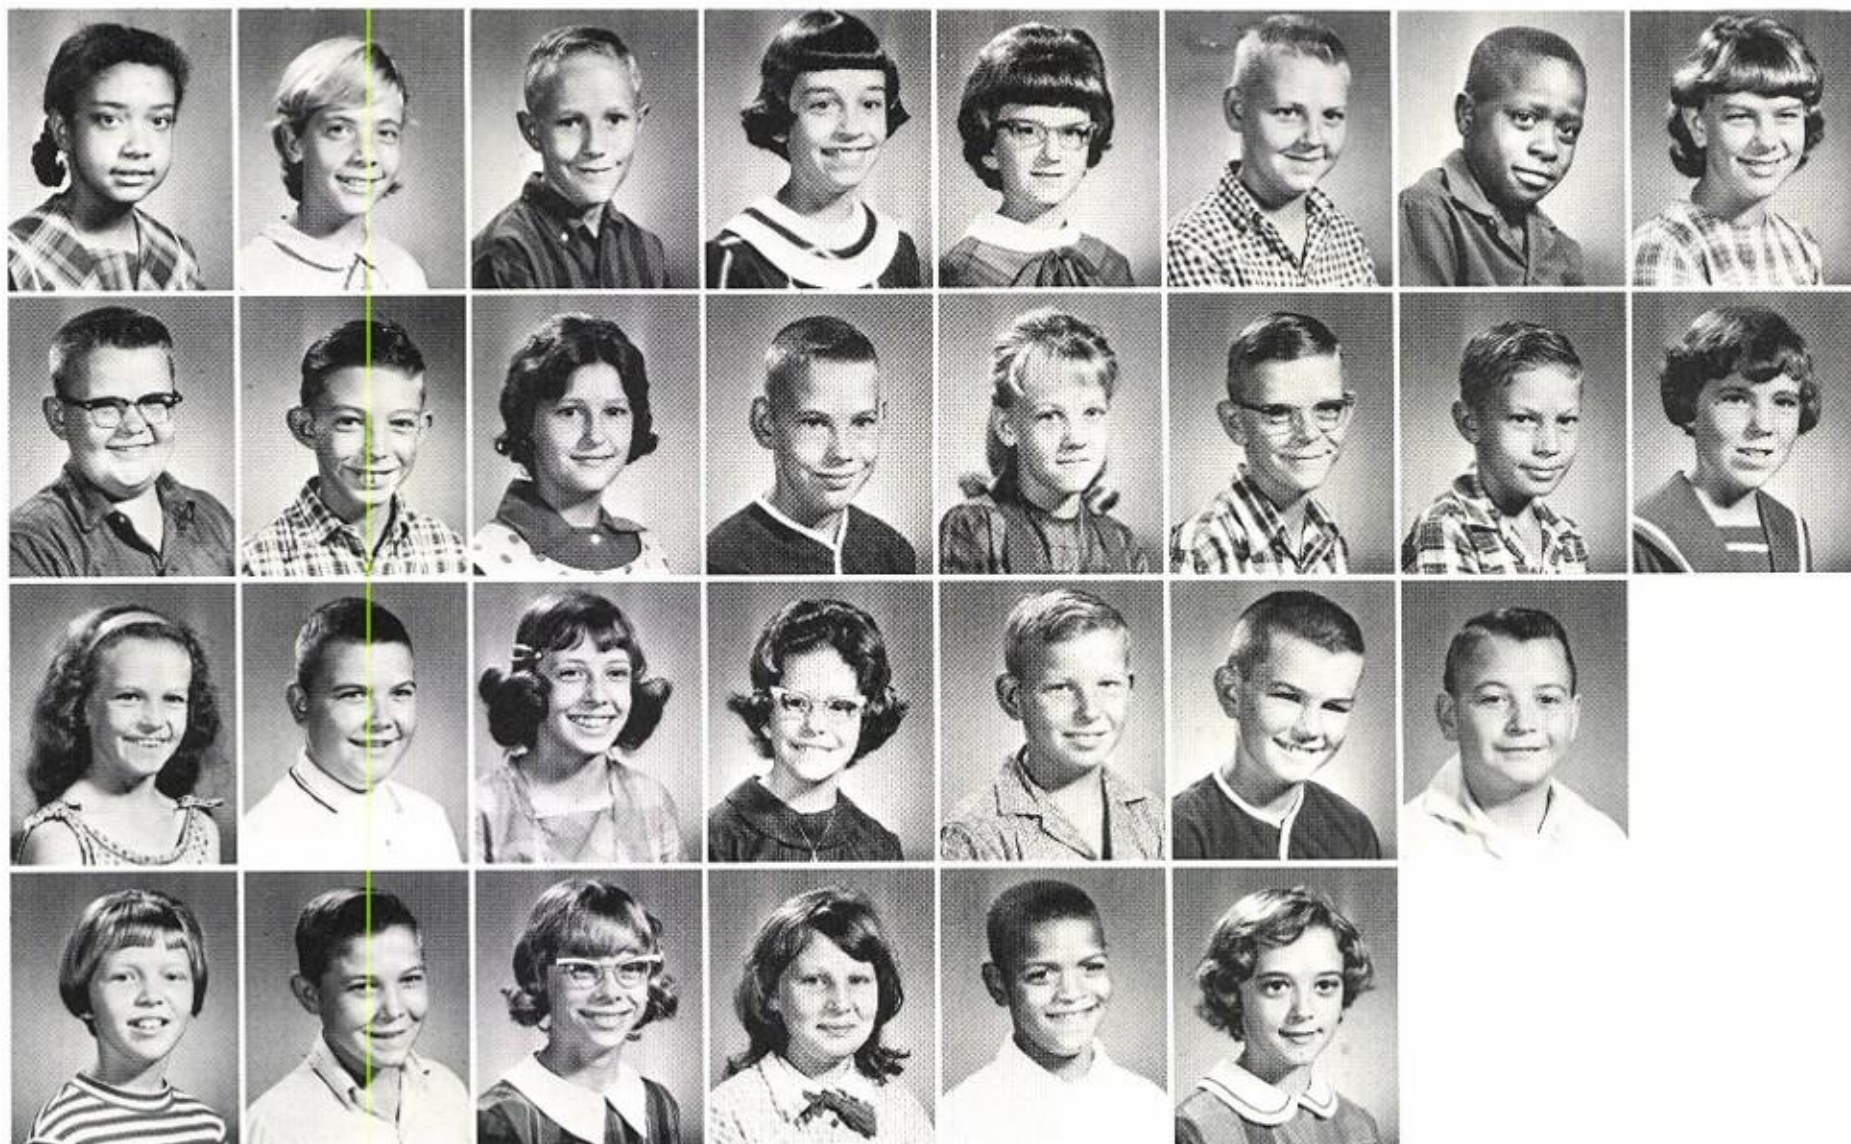

The usual units in geography were highlighted by a special Fire Prevention program and a Thanksgiving unit.

Began School Life in Cooper

On September 6, 1966 a new life began for 32 six year-olds. To the 16 who had been in school all summer in Head Start program it was just another happy experience.

Both Mrs. Clara Slough's and Mrs. Valrie Ethridge's rooms were in a Halloween program at the October P. T. A. meeting.

Mothers assisted in giving parties at Halloween, Christmas, and Valentine's Day. Their first very own class picnic was at the Road-side park during the last days of school.

Terrie Douglas and Cynthia Brashear put eyes on a ghost which was decoration for a Halloween party.

These are the hands...that made the pictures...
 that planned the layouts...that wrote the stories...

that met the deadlines...that completed the 1967
 Growl. So let time fly!

Look not mournfully into the past,
 --it comes not back again;
 Wisely improve the present
 --it is here;

Go forth to meet the shadowy future
 without fear, and with a hopeful
 heart.

I have on a very low
 a green you and still
 known you. May be it
 is a good thing. I
 know you, and it may
 be of your help.

Dear Brenda
You are one of my
best friends. We have
had a lot of fun together
during these last 11 years.
I hope this year will be the
best of friends. Keep as sweet
as you have been since I have
known you, and keep Benton happy.
Your friend

Brenda the Big
Seniors!
Best of luck in the
future, Hope you had
as much fun in High
school as I have and
always have a happy
life
Bicky S

Dear Brenda,
The last two years have really been
great and certainly you have helped make
them that way. In an odd sort of way
we have always been close but our friend-
ship has really grown and it would be
hard to begin to tell you what it has
meant to me. Without some of the times
that you have listened to my problems and
tried to talk some sense into me I am
quite afraid I would be in a bad state of
mind?

It really nearly makes me sick to think that
I won't be getting to play ball with you this
year - but go get 'em and don't stop until
you do! I'll be there as many times as possible
and watching with envious eyes.
You are really a fine person that I think
the world of. May you have out of life what
you want and be happy. Thank-you for all you
have done with and for me. I love you, Lyn

My Dearest Brenda

To sit here thinking of what I could write in this book makes my heart seem to speed up. To me you are the greatest person that I have ever known. You are so sweet and understanding and loving it makes me happy just thinking about you. I have loved every minutes of the last few months and hope I can love the future even more if that is possible. I want you to enjoy every minute of this last year at dear old C.H.S. You don't realize how much you miss it until you are out and can't go back. You made my last few weeks at C.H.S. the most enjoyable of the whole 12 yrs. I want you to really get after it in basketball and don't regret a minute of it cause I know you love it. Maybe with hard work and desire you girls can put together a team that is unstoppable. As I sit here thinking of the road ahead of us it makes me happy to think that it will be so great and wonderful. I had always ^{dreamed} of someone I could love and she would be the most wonderful and happiest person alive. We had our troubles at the start but I think to get something worth while you have to earn it and I think the result is going to be something great for me. I love you
Bye Bye to the greatest

I'll love you always
Benton

God Bless you always
